### PARKING

The Tucson Convention Center (TCC) has 1,000 parking spaces that may be utilized for event parking, but most of the closer lots cost \$8. In addition to guest vehicle parking, the TCC can accommodate limousine, truck and RV parking based upon availability. The TCC accepts cash and all major credit cards.

There are several parking garages (most ranging from \$2 to \$8, either by the hour or flat rate) and on street parking (\$1/hour or free after 5 PM and on weekends and holidays) in the area that can be utilized, as well. We suggest not parking in the residential areas because many of the neighborhoods require residential parking permits.

# About the Hosts

## TUCSON ROLLER DERBY

Tucson Roller Derby (TRD) was one of the first modern flat track roller derby leagues, forming initially in 2003, and was an early member of the United Leagues Committee (ULC), the precursor to the WFTDA. Tucson had the honor of hosting the first-ever WFTDA National Championship Tournament in 2006, hosting 20 WFTDA leagues from around the United States in a tournament to determine the nation's first-ever WFTDA national champion team. We also hosted the 2007 WFTDA Western Regional Tournament, and we now hold an annual Dust Devil Tournament every year in April to bring skaters from around the WFTDA world to compete against one another. TRD is thrilled to be given another opportunity to host some of the best skaters in the world; our skaters, officials, and volunteers are ready to make your time in the Old Pueblo one to remember.

# Seating Information

## SEATING INFORMATION

Seating is on a first come, first served basis. There will be stadium seating, track-side floor seating, and standing room sections. No reserved seating or VIP seating is offered for this tournament.

No carry-in chairs are permitted.

Chairs are not permitted trackside except as a companion to ADA accessible seating. Wheelchairs (and their companion chair) must be a minimum of five feet away from the outside referee line.

In order to sit trackside, you must be at least 18 years old. If you do not have a valid photo ID to verify your age, you will be required to move.

We expect high attendance at the tournament and seating areas to be full. Do not "save seats" for individuals who are not returning to their seats momentarily. You will be asked to remove skate bags, backpacks and other large items from the seating area in order to make room to accommodate others. Participant bags may be left in the participant-only area (locker rooms). Please be considerate and allow others to sit if a seat is not actively being occupied.

# Sign in and Lace Up!

## REGISTRATION

Registration will be at the Riverpark Inn on Thursday, September 3, from 5:00 PM to 10:00 PM, at which time Skaters, Officials, and other credentialed participants will complete required paperwork and receive their tournament credentials.

Captains Meeting will be at the Riverpark Inn on Thursday at 8:00 PM local time (US Pacific). Officials Meeting will be at the Riverpark Inn on Thursday at 9:00 PM local time (US Pacific).

Credentials must be worn at all times in order to obtain access to the venue and to participant-only areas. There is a \$30 fee to replace lost or stolen credentials.

## TRACK FLOOR, WARM-UP SPACE, AND WARM-UP TIMES

The venue will be open by 8:00 AM Friday morning for skaters and officials who wish to test the floor.

The regulation track takes up most of the auditorium floor so there will be no warm-up space aside from the actual track. Teams will be allowed to warm up on the track during the half-time of the game prior to their own, as well as in the 20-30 minutes before the start of their game.

## TEAM ROOMS

There will be several locker room areas and these will be assigned based on the tournament schedule. Please note these rooms will be shared by all teams. Please leave the team rooms in better condition than you found them.

There will be designated areas to leave your gear when not assigned a locker room and these will be in credential-only areas. The Tucson Convention Center, the WFTDA, and Tucson Roller Derby assume no responsibility for items left unattended.

There will be designated areas for Officials, announcers, and credentialed photographers and media. Please clean up after yourselves since there are quite a large number of you using shared space.

## MEDICAL ASSISTANCE

The WFTDA as tournament host provides trained, certified emergency medical responders should an injury occur on the track. These staff may be a contracted service, venue provided, volunteers, and and/or team/league professionals. Only the staffed responders working their current shift may go onto the track or players' benches to access or treat a Skater or Official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, s/he may refuse additional treatment.

Team/League medical staff seeking to treat their Skaters on the track or bench must be part of, and sit with, the scheduled medical crew. For information on how to volunteer for the safety staff, please let your team's wrangler know so that they can notify the Safety Liaison. PLEASE NOTE: NOT ALL VENUES AND CONTRACTS PERMIT THE USE OF ADDITIONAL OR VOLUNTEER MEDICAL STAFF. The opportunity to participate in this capacity is not guaranteed and when not part of the prearranged schedule will not be permitted.

Most of the places listed below are located close to the venue/hotels, and are easy to get to by walking, using the Tucson Streetcar, or driving a few miles.

### MEXICAN AND REGIONAL CUISINE
