MISSION STATEMENT

The Brewcity Bruisers is an athletic organization of women and volunteers that fosters strong women and active engagement with their community. Our mission is to deliver a quality women's sport to Milwaukee and the greater derby community. The Brewcity Bruisers offer opportunities for positive change in women's physical, social and mental health. The Brewcity Bruisers physically and financially support the greater Milwaukee community.

ABOUT THE LEAGUE

The Brewcity Bruisers were founded in October of 2005. Composed of four home teams: Crazy 8s, Shevil Kneivils, Rushin' Rollettes, and Maiden Milwaukee; two interleague teams: the Brewcity Bruiser All-Stars and Battlestars; and a team of dedicated support staff, the BCB boasts nearly 100 members. The BCB became a member of the Women's Flat track Derby Association in 2008. In 2010 the league began hosting bouts at the U.S. Cellular Arena after outgrowing their original home at the Milwaukee County Sports Complex in Franklin, Wisconsin. In that same year, the Brewcity Bruisers held the first annual Midwest BrewHaHa tournament and have hosted teams from across the country in this three day roller derby event. In addition to becoming a non-profit organization, they also formed a recreational league, the Brewcity Bootleggers in 2011. The Micro Bruisers, BCB's junior team began training in 2012 and were accepted into the Junior Roller derby Association in 2013.

- In order to sit trackside, you must be at least 18 years old. If you do not have a valid photo ID to verify your age, you will be required to move.
- We expect high attendance at the tournament and seating areas to be full. Do not “save seats” for individuals who are not returning to their seats momentarily. You will be asked to remove skate bags, backpacks, and other large items from the seating area in order to make room to accommodate others. Participant bags may be left in the participant-only area (locker rooms). Please be considerate and allow others to sit if a seat is not actively being occupied.

REGISTRATION

Registration will be held on Thursday evening at Hilton Milwaukee, at which time skaters, officials, and other credentialed participants will complete required paperwork and receive their tournament credentials.

Credentials must be worn at all times in order to obtain access to the venue and to participant-only areas. There is a \$30 fee to replace lost or stolen credentials.

TRACK FLOOR, WARM-UP SPACE, AND WARM-UP TIMES

“The U.S. Cellular Arena in Milwaukee is smooth, consistently grippy concrete. As a medium-sized blocker/jammer, I use backspin 93s (purple) or bullets (mid 90s) and have grip when I need it for jamming and slide when I need it for blocking (plows and hockey stops).”

-Grace Killy, Brewcity Bruisers, WFTDA Ex Officio

The venue will be open by 8:00 AM Friday morning for credentialed participants. Skaters and officials who wish to test the floor may do so from 9:00 AM to noon.

There is a large warm-up area just off of the arena floor. This area has pillars, therefore only non-contact drills will be permitted. Teams will be allowed to warm up on the regulation track during the half-time of the game prior to their own, as well as in the 20-30 minutes before the start of their bout.

MEDICAL ASSISTANCE

The WFTDA Emergency Action Plan requires the WFTDA, as tournament host, to provide trained, certified emergency medical responders should an injury occur on the track. Only the WFTDA provided EMTs may go onto the track or players benches to access or treat a skater or official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, s/he may refuse additional treatment.

TEAM ROOMS

There are four built-in locker rooms and these will be assigned based on the tournament schedule. Please note these rooms will be shared by all teams. Please leave the team rooms in better condition than you found them.

There will be a designated area for officials as well as for announcers and photographers. Please clean up after yourselves as there are quite a large number of you using a shared space.

TOURNAMENT RULES

- No video or audio recording devices or cameras with detachable lenses without prior approval from the WFTDA. Please visit wftda.com/tournaments/credentials for more information. Deadline for applying for photographer credentials is October 18, 2013.
- If you choose to sit trackside, you accept all responsibility for the possible risk of injury to you, or damage and/or destruction to your belongings at any time without warning. Trackside seating is at your own risk.
- You must remain seated in the trackside seating area. Keep your hands, feet, and belongings behind the safety line at all times. Do not touch or grab skaters or officials who fall into trackside seating. If a piece of clothing or equipment shall fall onto the track, do not enter the track or safety lane to retrieve it.
- Fire lanes, exits, and walkways must remain clear.
- Certain areas of the track and venue are reserved for individuals who require special seating or perform specific bout duties. They may obstruct the view of persons behind them. However, they are not able to move, sit, squat, or otherwise alter their position lest they not be able to complete their job function.
- By entering the venue, you agree to the possibility of being photographed, filmed or recorded. Your voice, image, and likeness may be captured and recorded in and around the venue and publicly disseminated by any means and in any format or media. You waive all rights on an irrevocable, worldwide, perpetual basis to object to such recording and dissemination.
