HOSPITALITY GUIDE

DULUTH ENTERTAINMENT CONVENTION CENTER

350 Harbor Drive, Duluth, MN 55802

HOSTED BY:

WELCOME TO DULUTH

ABOUT THE HOSTS

Harbor City Roller Dames' (HCRD's) wheels first started spinning in January 2007. Bringing the fastest growing sport in the nation to the Twin Ports began to seem like merely a hard-hitting dream as we skated up against a number of obstacles along the way. But, thankfully, we could never shake the passion and commitment to seeing our league succeed. In October 2009, we became skater-owned and hit the track for our first official competitive season!

We have invited leagues from around the Midwest and Canada to skate by the lake. We have also traveled to compete against neighboring leagues in Wisconsin, North Dakota, and Iowa, as well as Ontario, Canada. We were accepted as a member of the Women's Flat Track Roller Derby Association (WFTDA) in June of 2013.

HCRD is owned and operated entirely by dedicated skaters. As a league, we work to give back to our community by making donations and taking part in events that benefit local, charitable, nonprofit organizations.

HOW TO GET HERE

BY AIR

Duluth International Airport is conveniently located just 10 minutes from downtown. Daily flights are provided by Delta Airlines and United Airlines to three major hubs, Minneapolis, Detroit and Chicago—with connections to more than 120 domestic cities and over 20 international destinations. Additional flights are available on Allegiant Airlines through hubs in Las Vegas and Orlando.

There is also the option of flying to Minneapolis Airport [www.msairport.com/] and then driving or shuttling to Duluth. Skyline Shuttle offers affordable daily shuttle vans between Duluth and Minneapolis/St. Paul International Airport and there are six daily departure times to choose from. Call (888) 354-2677 to reserve your seat or visit Skyline Shuttle for online reservations. They provide direct drop off to the Duluth Entertainment Convention Center (DECC) and surrounding hotels.

BY BUS

Jefferson Busline has limited hours and locations available; however, to see if they can help with your travel needs, go to their Website [www.jeffersonlines.com/book-your-trip.asp] and click on "book your trip." It will take you through the steps to help you decide if Jefferson Busline is the right travel option for you.

BY CAR

From eastern Canada, follow the edge of Lake Superior along the internationally renowned North Shore Drive, otherwise known as Scenic Highway 61, approximately 194 miles southwest of Thunder Bay, Ontario. From western Canada, travel Highway 53 through the iron-rich Iron Range of northern Minnesota—the iron that built a nation—just 397 miles from Winnipeg, Manitoba. From points south (and much of the world is south of Minnesota) you'll probably come through the Twin Cities of Minneapolis/St. Paul, Minnesota, 156 miles on Interstate 35; or through Chicago, 465 miles northwest across Wisconsin. But no matter which way you come, it's a beautiful drive with a breathtaking destination.

SIGN IN AND LACE UP

REGISTRATION

Registration will be held on Thursday, at the Holiday Inn & Suites Downtown Duluth, from 7 PM to 10 PM, at which time skaters, officials and other credentialed participants will complete required paperwork and receive their tournament credentials.

Credentials must be worn at all times in order to obtain access to the venue and to participant-only areas. There is a \$30 fee to replace lost or stolen credentials.

TRACK FLOOR, WARM-UP SPACE, AND WARM-UP TIMES

“The DECC skating surface is polished concrete, with a slick and smooth slide to it. The venue is climate controlled, so the floor does not sweat in the summer. Skaters generally wear 88 to 93 wheels with comfort on this surface.”

- Violent Baudelaire, Harbor City Roller Dames

The venue will be open by 8:00 AM Friday morning for skaters and officials who wish to test the floor.

There will be a warm-up area closed to the public. It will not be a full regulation track, but will be pillar-free and on the same surface as the regulation track. Teams will be allowed to warm up on the actual track during the half-time of the game prior to their own, as well as in the 20-30 minutes before the start of their bout.

MEDICAL ASSISTANCE

The WFTDA Emergency Action Plan requires the WFTDA, as tournament host, to provide trained, certified emergency medical responders should an injury occur on the track. Only the WFTDA-provided EMTs may go onto the track or players benches to access or treat a skater or official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, s/he may refuse additional treatment.

TEAM ROOMS

There are built-in locker rooms and these will be assigned based on the tournament schedule. Please note these rooms will be shared by all teams. Please leave the team rooms in better condition than you found them.

There will be designated areas to leave your gear when not assigned a locker room and these will be in credential-only areas. The DECC, the WFTDA, and HCRG assume no responsibility for items left unattended.

There will be a designated area for officials, announcers, and credentialed photographers and media. Please clean up after yourselves since there are quite a large number of you using shared space.

AROUND TOWN

Once you get here, getting around couldn't be simpler. You'll find convenient parking, taxi service, and bus transportation provided by the Duluth Transit Authority. In the summer, you can take a leisurely ride on the Port Town Trolley around downtown and Canal Park. Most places, however, are just as easy to get to by walking—don't worry, most everything downtown is linked by a climate-controlled skywalk. And remember, motorcoach parking is always available and always free at all Duluth hotels and motels.
