TRI-CITY ROLLER DERBY

Kitchener-Waterloo, ON

Welcome to the Division 2 Playoffs hosted by Tri-City Roller Derby! Tri-City is the premier roller derby league based out of the Region of Waterloo, Ontario, Canada. Tri-City Roller Derby was originally formed in February of 2008 and became a WFTDA member in December of 2010. Our league is proudly run by the skaters who love the sport of roller derby!

Tri-City Roller Derby is made up of approximately 80 skaters, a dedicated referee crew, 2 golden-throated announcers, and some amazing volunteers. We have three home teams: The Venus Fly Tramps, The Total Knock-Outs, and The Vicious Dishes. Tri-City Roller Derby is also home to two competitive travel teams, the internationally ranked, all-star team Tri-City Thunder and Tri-City's own Plan B. Our league members are dedicated to connecting with our very supportive local community, our Canadian derby family, and our international WFTDA sister leagues.

Tri-City is also eager to push the evolution of roller derby and continue to develop skaters through our fresh meat program. Tri-City Roller Derby is lucky to have a league that is committed to the growth of the sport in every way and trainers that are focused on building skating skills, teaching strategy, and fostering a competitive atmosphere where skaters can advance. We Love Roller Derby! **We Love the WFTD-EH!**

SIGN IN AND LACE UP

PHOTO BY DANFORTH JOHNSON

REGISTRATION

Registration will be held on Thursday, The Crown Plaza Kitchener-Waterloo, 6 PM - 10 PM, at which time skaters, officials and other credentialed participants will complete required paperwork and receive their tournament credentials.

Credentials must be worn at all times in order to obtain access to the venue and to participant-only areas. There is a \$30 fee to replace lost or stolen credentials.

TRACK FLOOR, WARM-UP SPACE, AND WARM-UP TIMES

“The skating surface at the Waterloo Rec Complex is smooth polished concrete. The floor tends to be moderately grippy when freshly cleaned. The floor can start to get more slick as dust accumulates. Most of our skaters tend to wear a combo of wheels between 88 and 93. It is advised to come prepared for changing floor conditions.” -**Lippy Wrongstockings, Interleague Liaison, Tri-City Roller Derby**

The venue will be open by 8:00 AM Friday morning for skaters and officials who wish to test the floor.

The regulation track takes up most of the arena floor so there will be little-to-no warm-up space on the arena floor aside from the actual track. Teams will be allowed to warm up on the actual track during the half-time of the game prior to their own, as well as in the 20-30 minutes before the start of their bout.

There is an indoor track in the arena that may be used for off-skates warm-up. Please note that it is in full view of the arena public.

MEDICAL ASSISTANCE

The WFTDA Emergency Action Plan requires the WFTDA, as tournament host, to provide trained, certified emergency medical responders should an injury occur on the track. Only the WFTDA-provided EMTs may go onto the track or players benches to access or treat a skater or official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, s/he may refuse additional treatment.

TEAM ROOMS

There are spacious, built-in dressing rooms, each with their own washroom/shower facilities, located on the arena floor level. These will be assigned based on the tournament schedule. Please note these rooms will be shared by all teams. Please leave the team rooms in better condition than you found them.

The officials room will also have it's own washroom/shower facility.

There will be designated areas to leave your gear when not assigned a locker room and these will be in credential-only areas. The Waterloo Memorial Recreational Complex, the WFTDA, and Tri-City Roller Derby assume no responsibility for items left unattended.

There will be a designated area for announcers and credentialed photographers and media. Please clean up after yourselves since there are quite a large number of you using shared space.
