## Champlain Valley Exposition

105 Pearl St, PO Box 209, Essex Junction, VT 05453

[cvexpo.com](http://cvexpo.com)

The Champlain Valley Exposition is the largest multi-purpose special events complex in Northern New England. With nearly 34,000 sq. ft. of clear-span, air conditioned exhibit space, significant available parking, and banquet capabilities, it is the perfect venue for major events requiring professional set-up and management.

## How to get there

It is not feasible to walk from the host hotel to the venue. Consider reserving a rental car and parking in one of 5,000 attended parking spaces. Shuttles may be offered for the weekend, but specifics are unknown at this time. Should a shuttle bus be secured, we do not want to oversell passes and have people standing and waiting for buses to arrive. Therefore, we would likely limit the number of passes sold in order to provide prompt service. Check the tournament website and Facebook event page for announcements or consider renting a car.

## Security

There will be hired security personnel and volunteer security staff from the Green Mountain Derby Dames and Montreal Roller Derby to attend to crowd control and general security matters. Nonetheless, you are advised not to leave valuables unattended as neither WFTDA, Green Mountain Derby Dames and Montreal Roller Derby nor the Champlain Valley Exposition can be responsible for loss, damage or theft of your belongings. Any property you bring to the event is at your own risk.

## Food and Beverage

Champlain Valley Exposition provides on-site concessions and alcohol sales. There are a few fast food restaurants and a grocery store within walking distance as well.

## Rules and Restrictions

- By state law, Champlain Valley Exposition is a smoke-free facility.
- All purses, bags and cases are subject to search.
- Any item that is dangerous, hazardous and/or illegal or that may be used as a weapon, compromise or otherwise interfere with the enjoyment, comfort or safety of any person or pose risk to security at the venue, or any other item that WFTDA event officials or Champlain Valley Exposition officials determine (in their absolute discretion) may cause injury or public nuisance or inconvenience to any other person is strictly prohibited.
- No animals other than guide, signal or service animals (as defined by law) are allowed in the Champlain Valley Exposition. All sanitary needs for permitted animals are the responsibility of the customer.
- Neither Champlain Valley Exposition, WFTDA nor host league will be liable for any loss, damage or harm (of any kind, including to any person or any property) arising from your presence at the event and you agree that no claim, complaint or proceeding will be brought in this regard. You are responsible for any property you bring to the event and such property is at your own risk. Your presence and/or movement in and around the event is at your own risk.
- The Champlain Valley Exposition is wheelchair accessible. If you require accessibility accommodations, please email [tickets@wftda.com](mailto:tickets@wftda.com) for assistance

## Tickets

Tickets may be purchased online at anytime at <http://wftda.ticketleap.com/> or from the box office beginning one hour before doors open and through the first half of the final bout of the evening.

- 3-Day Passes: \$80+fees
- Children 9 and younger are admitted for free when accompanied and supervised by a ticketed adult.

Online ticket orders have confirmations emailed to the purchaser. Every ticket has a unique barcode to be scanned at the venue for entry. Barcodes may be printed out or shown on a Smartphone. Once scanned, the barcode becomes inactive.

Tickets may be transferred or sold, however tickets are not refundable.

## Entry and Re-Entry

Doors open daily at 9:30a.m. Games begin at 10:00 a.m.

Your ticket barcodes will be scanned at entry to the venue, please follow appropriate signage. For same day re-entry, you will need either a hand stamp or wristband (depending on your ticket type). Do not leave the venue without one of these if you wish to re-enter as your ticket barcode is invalid once scanned.

## Seating Information

- All seating is general admission. There will be trackside seating, some sections of chairs and bleacher seating in addition to standing room. There is no reserved or VIP seating.
- In order to sit trackside, you must be at least 18 years old. If you do not have valid photo ID to verify your age you will be required to move.
- Please be considerate and allow others to sit if a seat is not actively being occupied. Do not “save seats” for individuals who are not returning to their seats momentarily. You will be asked to remove skate bags, backpacks and other large items from the seating area in order to make room to accommodate others.

# Cross the border

## What to bring

You will need proper documentation to cross the border between the United States and Canada.

Acceptable documents for crossing the borders: U.S. Passport, U.S. Passport Card, Enhanced Driver's License (offered by Vermont, New York, Washington and Michigan); Trusted Traveler Program Cards such as NEXUS, SENTRIU or FAST enrollment cards; Special Audiences (Special documents for U.S. Lawful Permanent Residents, U.S. Military, Native Americans, and Boaters; birth certificates (original or a certified copy) for children under the age of 16). If traveling with children who are not a part of your family, have a note or proof that the child has permission to cross the border with you.

## What to do when you get to the border

Have proof of citizenship (birth certificate or passport) readily available. Don't be digging for it as you pull up to the border guard. Have an original (or certified copy) birth certificate for each child (16 and under) in your vehicle. If the child is 16 or over, they will need a passport. Resident aliens must carry residency cards at all times.

There is a toll to cross over into Canada (drivers and pedestrians). Have toll monies ready. It is based on vehicle weight and axles. Standard vehicles will cost \$3.25 (US and CAN) per vehicle. Pedestrian tolls are \$.50 (US and CAN).

Turn off radios and car phones when talking to border agents.

As you approach the border guard station in your vehicle, roll down all windows so they can easily see all passengers in your car. If you are driving a van they may request you open the nearest cargo door.

Declare all fruits, vegetables, plants and plant products, animals, birds, eggs, meat and meat products. Declare all items acquired for personal use. If you make purchases and travel between the United States and Canada, be sure to save receipts. When crossing the international border you will be required to declare all purchases. Certain items may be taxable or you may qualify for tax refunds. Please visit the duty free stores located at the bridges between the U.S. and Canada for more information.

Dogs and cats must be free of evidence of diseases communicable to humans. Dogs older than three months must have proof of a rabies vaccination.

Don't joke or fool around with the border guards. They are law enforcement officials who take their duties very seriously and can search your car or person if they feel it is necessary.

Don't drive under the influence of alcohol. If you have ever been charged with a DUI (driving under the influence) in the U.S. you may be denied entry to Canada regardless of how long it has been.

Have your seat belt fastened (front seat and back seat passengers). It is against the law in both NYS and Canada to travel without a seat belt fastened.

Be patient. Additional security has been instituted for safety on both sides of the border.

## Visit Montreal

If you can spare the time, be sure to take the trip up to "La Belle Province." About an hour and forty-five minutes from Burlington, take a food tour of smoked meat sandwiches, poutine, the best bagels in the world, world class restaurants, bakeries and chocolate shops. Visit the Old Port and wander the cobblestone streets, shop along St-Catharines and Saint-Laurent boulevards, and wander through Park Mount-Royal to get the best views of the skyline.

The excitement doesn't stop there: the city comes alive at night! Take in a play, or catch a show! Or just grab a beer on a terrace and watch the beautiful people of Montreal stroll by. Montreal nightlife is second to none, with last call at 3AM, so hit the clubs and dance until you drop! Come share our joie de vivre but don't forget your passport!

Skater check in takes place at the Blue Ribbon Pavilion. Credentials must be worn at all times in order to obtain access to the venue and to restricted participant areas. There is a \$30 fee to replace lost or stolen credentials.

## Track floor, warm up space and warm up times

The floor is polished concrete. GMDD recommend 93As. The venue will be open from 8:30-9:30 Friday morning for skaters and officials who wish to test the floor.

There is a warm-up track, but it will not be on the same floor surface as the competition track. It is polished concrete, but it is located in an attaching wing of the building. Teams will be allowed to warm up on the actual track during the half-time of the game prior to their own, as well as in the 20-30 minutes before the start of their bout.

## Medical assistance

Emergency Medical Technicians will be on site at all times to assist with any injuries that arise. The WFTDA Emergency Action Plan requires the WFTDA, as tournament host, provide trained, certified emergency medical responders should an injury occur on the track. Only the WFTDA provided EMTs may go onto the track or players benches to access or treat a skater or official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, s/he may refuse additional treatment.

## Team Rooms

There will be four partitioned team rooms that will be assigned based on the tournament schedule. Please note these rooms are shared between all teams. Kindly leave the team room in better condition than you found it.

There will be a designated room for officials and also for announcers. Kindly clean up after yourselves as there are quite a large number of you using a shared space for the weekend.

## Skate emergency

Sin City Skates is again the official skate tech of the tournament season. If you have a skate malfunction, they are available to assist you free of charge and get you back on the track. Take note of where their table is so you know on the off-chance you require their assistance. Thank you to Sin City for offering this great service!

The Women's Flat Track Derby Association along with the Green Mountain Derby Dames and Montreal Roller Derby welcome you to the 2012 East Region Playoffs!

With ten talented teams and over seventy committed officials rolling into town for three full days to determine which three teams advance to the Championships in Atlanta, you can bet the competition will be so fierce you won't want to take your eyes off the track! Not even take in the splendor of the fall foliage in Vermont! Talk about a Sugarbush Showdown! (Sugarbush – n. an orchard or grove of sugar maple trees)

Although not new to the sport, Green Mountain Derby Dames is a WFTDA youngster having joined in 2010, and they are ready to show WFTDA the kind of hard-working league they are and welcome you to their home venue, the Champlain Valley Exposition along with their co-host, Montreal Roller Derby. Montreal danced into roller derby's heart in Philadelphia at the 2009 Championship and have since then continued to impress with their skill on the track. In 2012 both leagues are ready to impress the roller derby community with their hospitality.

East Region teams, officials, fans and vendors will appreciate the efforts of our co-hosts - Green Mountain Derby Dames and Montreal Roller Derby. These two leagues want your visit to East Region Playoffs to be as pleasant for the visit as it will be memorable for the roller derby you're sure to witness. This hospitality guide is chock-full of useful information to help you plan visit and enjoy your stay once you arrive. It includes everything from driving directions to favorite local restaurants to after-party details and even information on what is required to make the short drive across the border up to Montreal. League members will also be available at the tournament to answer questions and offer assistance as well.

WFTDA, Green Mountain Derby Dames and Montreal Roller Derby thanks you for supporting the 2012 WFTDA Playoffs and Championship season.

We look forward to seeing you in Burlington!
